

## Minutes of the 2010 345<sup>th</sup> General Business Meeting

Margene Miller Brown (499<sup>th</sup>), daughter of Ben Miller, explained she was assisting her father in chairing the meeting.

President Ben F. Miller (499<sup>th</sup>) called the meeting to order in the Appaloosa Room 1 at the Gaylord Texan Resort and Convention Center, Grapevine, Texas at 9:27 AM on Sunday, September 5, 2010. He thanked all for coming and led us in the Pledge of Allegiance.

Kelly McNichols (500<sup>th</sup>) gave the invocation.

Jim Bina (500<sup>th</sup>) thanked Geico Auto Insurance for their generous sponsorship of the Coffee/Tea Service at this morning's meeting.

Judy Best Zurlis (498<sup>th</sup>) and Carol Best Hillman (498<sup>th</sup>) thanked all for attending the XXIII Reunion and explained that the Military Reunion Planners made it possible for us to meet at this fantastic venue. Judy explained that the banquet meals are extremely expensive and the MRP had negotiated greatly reduced prices for each meal. However, they were still pricey, but we really wanted this reunion to be exceptional and have it at the Gaylord so we asked if the association could supplement the expense of the meals. Member's \$15.00 dues made this possible. Bottom line: Pay your dues so the association can continue to give you outstanding Strafers and reunions.

Mary Roby (500<sup>th</sup>) gave the Treasurer's Report. She thanked Charles Wilson for the ease in transferring the books. She has big shoes to fill.

Mary combined both accounts as of August 11, 2010 totaling \$16,910.41. Income was \$8,299.76 with Expenses of \$9,770.24 leaving a final balance as of August 30, 2010 of \$12,158.74. Don Rary (499<sup>th</sup>) moved to accept the Treasurer's Report as given. Bob Pearson (500<sup>th</sup>) seconded it. The motion carried.

### Committee Reports:

Paul Van Valkenburg (501<sup>st</sup>) reported that the website has been updated with Mission Reports and new and old The Strafers since last year. He needs someone to redesign the website. Suggestions are needed.

Paul also reported we have additional DVDs available for \$10.00 each. Included on the DVD is: Warpath of the Air Apaches, Mission to Rabaul, The Emperor's Envoy, and the 2004 Reno Fly-by. Each person who registered with the reunion received a copy. He suggested that we post the on the website that the DVDs are available for purchase. He gave the website address – [www.345thbombgroup.org](http://www.345thbombgroup.org).

Jim Bina explained our 501 C 19 tax status is for Military Veteran Associations that have a minimum of 75% veterans. We are not in compliance with this rule; therefore, we must change to a new tax status. Mary Roby and he will be researching the best tax status for our association. *The Strafer* will keep you abreast of the results.

Jim also discussed the status of the 345<sup>th</sup> and what it will be in the future. One suggestion is that we become a Historical Society instead of an Association. Jim wants to share with the world the legacy of the 345<sup>th</sup>. In order to do so we will need to increase the website. He wants to preserve the veteran's personal history – what they did prior to the war, when they volunteered, why, what they did during and after the war ended. Not veterans alone, but to include what the wives and children did to keep the home front

going. How the family supported each other both monetarily and personally, etc. Jim challenged the second generation to get the information on tape, video, etc. He would like to continue with a new direction to get a good start towards a Historical Society.

Kelly McNichols suggested we might donate papers to a museum rather than lose family and personal documents.

Nancy Ingram volunteered to record and write videos of the veterans.

Dennis O'Neill reported the audit of the Treasurer's books was perfect. He was very happy with what he found.
